Presents

## The Fourteenth Annual Working Jack Russell Terrier Memorial Day Bash

*Welcoming Colored Terriers and Dachshunds*

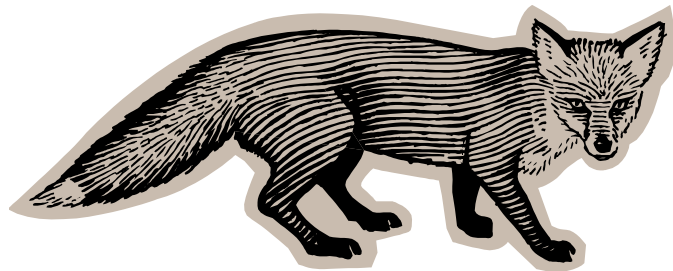

May 27-29, 2011  
Purina Farms  
Gray Summit, Missouri

*Conformation: David Jones (Wales, UK)  
Offering GTG (3 tunnels!), stakes GTG, two days of racing,  
barn hunt, stakes barn hunt and lure coursing!*

## A WARM WELCOME TO ALL PARTICIPANTS!

- Now in our 14<sup>th</sup> year, we are proud to once again present a trial for all earthdogs, which includes the majority of the terrier breeds and dachshunds.
- Once again we are happy to accept Purina Farms' gracious offer to host our trial. Enjoy the facilities and please, remember to clean up after your dogs!
- We are very pleased to welcome **David Jones** from Wales, UK as this year's conformation judge.
- This will be our thirteenth year organizing the Jack Russell racing for Purina Dog Chow's Incredible Dog Challenge. Placements from select races on Sunday will qualify for the IDC; see IDC page for more details .
- We hope that all who attend will enjoy the events and companionship, and leave with a little more knowledge and appreciation of our canine friends.
- Because we feel strongly about the "working" part of our Memorial Day Bash, we have structured our Working conformation classes to include colored terriers. There is a Jack Russell Working Championship as well as a Colored Terrier and Dachshund Working Championship. The Champion and Reserve of each of these classes will move on to an overall Working Terrier and Dachshund Championship.
- You will find our trial format different than some, with an emphasis on the working terrier. We also offer a variety of events for all terriers/dachshunds, including allowing spayed and neutered terriers/dachshunds in all classes.
- Effective this year, we have eliminated the use of tokens. Pre-entries will be accepted for all classes. For those who have attended our trial in the past, please note the new entry form. Post entries will be allowed for all events, **except for racing and muskrat racing.** Pre-entries are REQUIRED for racing and muskrat racing.
- We recognize all Jack Russells, colored terriers or dachshunds who have received their JRTCA Bronze Medallion or AWTA Veteran Earthdog Award since June, 2010. A ceremony/exhibition will be held immediately following Saturday's lunch break (approximately 1pm). We ask that recipients of these awards since June, 2010 email a brief description of what their dog has accomplished to [bronze@moeearthdogs.org](mailto:bronze@moeearthdogs.org). Please stick around after lunch to hear about these wonderful working dogs! See class for details.
- Breakfast and lunch will be available at Purina Farms' café, across from the trial office, on Saturday and Sunday. The menu is located in the prizelist.
- RV parking and hook-ups (water and electric) are always free at Purina Farms; however, reservations cannot be taken. RV spots are offered on a first-come, first-served basis.

## GENERAL TRIAL RULES

1. Classes are for Jack Russell Terriers, Parson Russell Terriers, colored terriers and dachshunds only; except lure coursing, which is also open to all other breeds.
2. Parson Russells may enter Jack Russell classes.
3. Colored terriers and dachshunds may only enter designated classes.
4. All classes are open to intact and spayed/neutered terriers.
5. Jack Russell or Parson Russell entries must be within the 10-15" JRTCA height standard (with the exception of pups who have not yet reached 10" in height). Measuring devices will be available on the grounds.
6. Puppies (under 12 months of age) are not eligible for Championships in any division but their own. Puppies are eligible to compete only if they have reached their four month birthday (not 16 weeks) by the date of the trial.
7. Bitches in season may not compete in any division, and they should not be brought to the trial site. Refunds will be provided with veterinarian documentation.
8. Puppies under the age of three months are not allowed on the trial site.
9. No puppy sales allowed on trial site. **NO EXCEPTIONS!** Anyone violating this rule will be excused from all classes, with no refunds, and asked to leave the trial site.
10. Once judging has begun, requests for measurement of a terrier being shown in any class may only be made by another exhibitor in that class or by the judge. Each judge – Conformation, Go-to-Ground, and Racing – has the discretion to measure a dog. If, for example, Conformation measures the dog as Over on Saturday, that dog is Over for all Conformation classes; but it can be measured for Racing by the Racing judge or Go-to-Ground by a Go-to-Ground judge, and be Under for their respective competitions. Requests made by spectators will not be honored.
11. Excessive use of baiting devices by exhibitors is prohibited in the conformation ring and may result in the terrier being excused. "Excessive use" will be at the judge's discretion.
12. Entries in the Working division of conformation must provide the appropriate paperwork with pre-entries or have it available upon entering the ring.
13. Unsportsmanlike conduct will not be tolerated. Anyone demonstrating such behavior will be asked to leave the trial site and no refunds will be given. "Unsportsmanlike" will be at the discretion of the trial committee/chairperson.
14. Overly aggressive dogs, or an owner's failure to control his/her dog, may result in disqualification at the discretion of the judges and/or trial committee/chairperson. Please remember that Purina Farms is a public place!
15. The judges' decisions are final!
16. And... remember to have fun! In the words of Nick Stevens, English terrierman, "They're just li'l dogs!"

## RACING RULES (see muskrat racing division for muskrat racing rules)

1. All entries must be muzzled. Only softy or basket muzzles are allowed. No figure eight or mikki muzzles.
2. Any entry entering the catch area without a secured muzzle will be disqualified from that race.
3. Exhibitors must have entries ready to race, be aware of their classes, and be ready when called.
4. Heats will be run as listed on heat sheets. No refunds or reruns for missed heats/classes.
5. Once entries are loaded into the starting box, all handlers must proceed to the finish line to be ready to receive their dogs.
6. In a hurdle race, any entry going around the jumps will be disqualified from that race.
7. Races will be rerun only if the lure is caught or in the case of fighting, but in all cases at the discretion of the judge.
8. Entries engaging in fighting will be disqualified from racing for the remainder of the day (including stakes racing). No refunds will be given.
9. Entries must cross the finish line completely; the finish line is the back of the barrier. First *to* the hole is not necessarily first *through* the hole.
10. Racing champions are determined by run-offs of the first place terriers in appropriate age and height classes.
11. Entries must complete in flats and hurdles to be eligible to compete in their Championship race.
12. Colored terriers and Dachshunds may only enter colored terrier racing classes. Parson Russells may enter Jack Russell classes.
13. See General Rule #10 regarding a size protest. Measurements must be requested and completed 30 minutes prior to the start of racing.
14. Jack Russells/Parson Russells over 6 years of age may race in either Veteran or Adult classes, **but not both.** Jack Russells/Parson Russells over 9 years of age may race in either Senior, Veteran or Adult classes; **but no combination thereof.**
15. No racing entry may exceed 15".
16. The judge's decisions are final!

Ribbon Policy: Unclaimed ribbons will be available at the trial office until the close of the trial on Sunday. No ribbons will be mailed. Trial results will be available online at <http://www.moearthdogs.org> by June 30

**Introducing our conformation judge: David Jones**

We are happy to have David Jones as our Conformation Judge for the 2011 Missouri Earthdogs trial. David has bred and worked terriers for almost 50 years. He recently retired from the David Davies Hunt in Wales after being their Professional Huntsman for 34 years. His first judging assignment in the US was in 1987 and he has judged here many times since then as well as in Canada, South Africa, and all over Europe. He brings a very seasoned eye for the working terrier and we look forward to welcoming him to Missouri for the first time.

The Finals for the Purina Dog Chow's Incredible Dog Challenge will take place on Saturday, October 1, 2011 at Purina Farms. Two regional teams (East and West) will come together and compete against each other. *At press time for our prizelist, the number of Regional team dogs coming to compete in the Finals had not been determined by Nestle-Purina.* Therefore, we cannot say at this time how many of our MOE terriers will be allowed into the Final. That determination should be known by the time of our trial in May.

At this time, the 12 terriers from the qualifying classes will be racing in St. Louis at the Incredible Dog Challenge. As more information regarding this event becomes available you may request an update by emailing [info@moeearthdogs.org](mailto:info@moeearthdogs.org).

Huntmoor Diamond (owned by Joy Owens), a qualifier from MOE in 2009, is the two time returning champion!

Please remember this is strictly an entertainment event.

In order to race in St. Louis, you must:

1. Be a current member of Missouri Earthdogs
2. Be able to be in St. Louis on Saturday, October 1, 2011

If you own a qualifying terrier but cannot attend or cannot send your terrier to St. Louis with someone else, the spot will be filled by the next qualifying terrier in the class or a terrier owned by a club volunteer. All qualifying dogs will be notified following the trial. You have until July 1, 2011 to notify us as to whether you can be in St. Louis for the Finals.
